

Licensed Fire Sprinkler Fitters

Legacy Fire Protection, Inc. is a full service fire protection company primarily servicing the Massachusetts and Connecticut markets. We are looking for individuals that would like to join our experienced installation team. LFP offers competitive pay, health benefits, retirement planning, paid time off, overtime, bonus opportunities, and paid holidays.

We are currently seeking experienced and motivated Fire Sprinkler Fitters looking for growth and security. This is an excellent opportunity to apply your knowledge and skills and an opportunity to be part of a dynamic industry leading fire protection team.

REQUIREMENTS

- Massachusetts and/or Connecticut Sprinkler Fitters license with successful sprinkler installation experience
- Attention to detail, ability to read blueprints, and a strong understanding of the MEP dynamics for new and existing building construction projects
- Safety training and best practices—OSHA 10 or higher
- Forward thinking, project planning, strong time management skills, and dependability are all required
- Have the ability to responsibly work alone or with a project team
- Have the ability to train and direct the day to day work of a registered apprentice is required
- Team members must be dependable with exceptional work ethics and determination
- Candidates must have a valid driver's license with an acceptable driving record

BENEFITS

- Medical, long-term disability, 401K, company sponsored profit sharing, paid time off and bonus opportunities available
- Company sponsored industry training and NICET certifications available

COMPENSATION

Competitive base salary/commission depends on your level of experience, successful track record and education.

If you are interested in a career opportunity with growth potential, please contact our office or email your resume to contact@legacyfireprotection.com to schedule an interview.
